Editor's Notes

Hail, hail the boobs are all here! For our regulars – welcome back. For all the newbies – if you're looking for all things breast, you came to the right place. Let us begin with this months overly endowed cover girl Kore Goddess. Just get a load – and I do mean load – of those incredible natural knockers. In the studio I have a complete "hands off" policy, however from time to time I have to re-position a model. In this case I needed both hands to move those babies around. They are so heavy and so soft and squishy. It's kind of like trying to control Jello. It is one of the perks of the job! Excuse me a minute while I adjust a part of my own. Opening this issue is Sabina Leigh. She's a beautiful all-natural gal who just happens to enjoy the cock as much as she does big, soft titties. While we're on the natural thing, Lady Spice is loaded with an over-abundance of boob-flesh. When you talk about cups running over, she is the perfect example. We've expanded Rhiannon's Breast Of Times this month. There was far too much tit to be contained in her monthly column, so we spread it out over a few more pages. Rhiannon and Deena Duos have been bosom buddies for years, but this is the first time they were able to get up close and personal. Well, actually, they couldn't get all that close. There is nothing quite like two monster-tit girls getting together for a little girl on girl fun. I really think it should be an Olympic event. A little tidbit about our newest hottie, Savannah Jane, she's deaf. While it was a challenge to give her direction while I shot her, she more than made up for it with her enthusiasm for sucking and fucking cock. Getting back to huge natural tits - I'm sensing a pattern here. Devyn Devine sports a pair of the biggest in the industry. They're big, they're bulgy, they're soft, they're mushy, they're unbelievable. And her face ain't so bad either. Tall, dark and busty is the perfect description of Goldie, although I don't think she's all that tall. The busty part is what's important anyway. I found Alexia Moore on a website about five years ago and shot her for the magazine Cleavage that I was doing at the time. She has graced the pages of Gent a couple times over the last few years, and we're glad to welcome her back. Honey Dejour is a newbie to the industry and has plans to excel. She's barely legal – but she is, I have her ID to prove it – and she loves to get down and dirty. She too, is carrying around a beautiful set of young naturals. With her we get an added attraction – she's digging anal. Oh, glory day! There's not enough I can say about Trina Michaels. She is a true pleasure to work with. Everyone at the shoot, from the make-up girl to the stunt-cock, loved her. Rarely, will you meet a sweeter girl. I shot her for the first time last summer during the Gentleman's Expo in Las Vegas. Unfortunately, I was so busy that week that I shot very little boy/girl. However, a few weeks ago I got her in my studio and was able to get a few sets of XXX. Amber, Amber, Amber… what can you say about Amber Foxxx? She is one of the dirtiest, horniest girls I have ever had the pleasure to meet. Her main objective in life is to fuck, suck and give pleasure to as many people as she can. We have her X-ploits here, in Gent each and every month, and we couldn't be prouder than to have her part of the family. You just gotta love her! Mammary Lane takes us back to September 2005 for a flash of what tits were like in those olden times. In The News Rack, Steve Nelson from Adult Industry News keeps us abreast of what's going on in the luscious world of big-tit porn. This month he's bringing us Gent favorites Sara Jay and June Summers. He was with me in Vegas last summer conducting interviews. When June walked in she decided that she'd like to do a boy/girl set. Steve was the only boy around that wasn't holding a camera, so he was only too happy to "take one for the team." He's still thanking me every time we talk. That's not all in this issue, but I don't want to overload you guys with too much pre-information. So just sit back and enjoy the show. It's All About The Boobs!

TALE OF TWO TITTIES...

Dear Anton,

I have to say that you really hit it big time with Bunny De La Cruz. She is incredible and her tits are spectacular. She is my idea of the perfect woman.

Sandy Jacks
Hillsboro, MI

Dear Anton,

I just finished reading "Welcome To The Freakshow" in the June issue. Exactly what does it take to get in invite to those parties? I would give pretty much anything to be able to be in on that action. I would be happy to mop up the splooge remnants from the floor, sheets or the girls tits.

I'd be in Heaven if I could witness Rhiannon wrapping her incredible lips around a big cock. Harley Raine and Rhiannon together… I'd pay to see that! And, it'd be great to see Amber Foxxx doing what she does best. In fact, if I were there I would probably get to dip my big cock in her hot cunt.

I don't want to beg, but please, please, please let me come to the next party.

Kelly Johnson
Onset, MO

Dear Kelly,

I think we may allow a few lucky fans to the next party. I may even turn it into a contest. I'll keep you posted.

Anton

Dear Gent,

I can't believe I'm admitting this, but here goes. I was channel surfing the other night and I accidentally landed on Bret Michaels' Rock Of Love. Hey, there are a bunch of hot chicks and I wanted to see what they were up to. Well, as expected, the annoyance factor is really high, but they're still hot chicks. Anyway, so I'm watching, and I couldn't believe my eyes when a Gent model walked into the room. I immediately reached for the June 2008 issue to confirm, and sure enough, it was definitely Angelique Morgan (although on the show she didn't have 2 cocks stuffed in her, but I was hoping that it was only a matter of time).

On this episode, they had set up a stripper stage for the girls to entertain Bret Michaels. Needless to say, she was the hottest one on there, what with her sucking dick for a living and all. She even pulled her titties out. Unfortunately, they were blocked out, but it was still pretty hot to see our girl on the show.

They try to make it look like he's not fucking these chicks, but please… these bitches will do anything to supposedly land this guy. And we know just how horny Angelique can be. Do they really think we buy that he's not banging each and every one of these babes? Of course he is. These chicks are all strippers. I don't think their mothers gave them names like Daisy, Ambre, Megan, Destiney and Angelique.

I'm not sure whose going to

There are some things in life that are just priceless, and helping people fulfill firsts and fantasies is right at the top of that list for me! I have had so many of my own fantasies and desires come true that I feel like it is my duty to help other people fulfill theirs!

An occasion just like that happened in Las Vegas, when the hot and sexually super-charged Zoey Andrews (www.zoeyandrews.net) stopped by the house I was staying at and confessed that she had never been done by a girl with a strap on! Well, I just couldn't let that go by without making it happen, so I ran and grabbed my trusty harness and the biggest tool I could find and got myself strapped in and ready to go!

The only thing better than doing something first to a girl, is doing it to her first and getting to take pictures and video of it. So, one of the guys at the house grabbed a camera and started snapping away as I introduced her to my faithful fuck stick. Zoey was a slut after my own heart and wasted no time at all in dropping to her knees to lube up my big rubber dick with her own spit, getting it all ready to split her apart.

I knew I wanted to give Zoey a good hard fucking, but thought I would be nice and warm her up a little bit first. I laid her back on the coffee table next to where she was blowing my cock. She pulled her knees back to give me a clear shot to her cunt and I leaned forward, split her lips apart with my fingers, and spit down into her flowering pussy lips.

I slid a couple fingers in, working them around to get her all nice and opened up. Her pussy was dripping wet already, so I knew it was going to be a fun ride!

I slid up her body, stopping to nibble on the pert nipples standing tall on her luscious breasts. I feasted at her ample chest, taking my time to enjoy her moans while I worked over the fleshy mounds in front of me. I took a nipple between my teeth and pulled my pelvis forward to get the head of the fat strap-on to the mouth of her waiting love canal.

I pressed forward, filling Zoey's pussy with my fat toy, and she gasped as I thrust my hips forward. I pressed in deep, pulling myself on top of her so our tits would rub together. I rocked back and forth, mashing my mounds against hers, sending sensations from my nipples down to my clit, which at the same time was getting rubbed hard, by the harness of the strap-on. The dual sensations intensely worked their way up my spine, and I felt chills as I came hard from the friction of the toy.

Zoey was rocking her ass back and forth beneath me, working on getting herself off as much as I was, and it was obvious that she was enjoying her first time! I gave her a few more hard pumps and pulled out quickly, then pushed her legs apart and spit down into her gaping hole. My hips instinctively pressed forward again, looking for someplace to stick my dong.

Her natural desires took over, and she rolled over to her hands and knees, her nice round ass inviting me to grab on and give her a hard pounding! There are few things I like better than pounding her pussy

from behind, especially since that is my favorite way to get pounded! Zoey's cunt was open for business, and I was thrilled to get to fill that order. I pressed forward, stuffing her with my 9 fat inches, and started craving that feeling that only a good hard fucking can satisfy.

I drove my hips forward and back, fast and furious, doing my best to own that snatch, as well as any guy could. Judging by her screams I was clearly doing the job! Zoey was bucking herself back hard, meeting my every thrust with her own, to make sure she took my cock as deep as it could possibly get. With every stroke the leather was slapping the nerve endings in my cunt. As I pounded her pussy, I felt a huge orgasm starting to well up inside of me.

We bucked against each other and with one final hard thrust, both Zoey and I screamed out in throes of wild orgasm. Our moans of pleasure spliced together, filling the house with the sound of pure raw sex, reaching out to anyone within earshot. Zoey slipped forward onto her stomach, and I followed, to give her a sweet and tender kiss. She praised my skills with the strap on, and vowed that this would not be the last time she let a girl fuck her with one!

With my job well done, I felt very satisfied, and ready to move on to find something else to do. I always look forward to my next fantasy fulfillment, and can't wait for find the next one - maybe if you're lucky it will be yours! Keep on cumming!

Rhiannon's

Breast Of Times

Deena Duos contacted me when she wanted to make her comeback into the busty world of entertainment. She had taken a break and decided it was time to allow her fans access to her amazing over-the-top bust line. I was thrilled when she called me. Our paths had never crossed in the past, but typical of our industry, we all know of each other. It was actually funny when she called because we spoke as though we had known each other for years. Big boobs are definitely a common-thread we share, lending itself to many familiar stories.

Needless to say, I made plans to meet with her as well as scheduling a shoot for her in Vegas during one of our trips. I am proud to say, GENT was the first to welcome her back with her premier pictorial in our February 2007 issue. We featured

Deena again in our Monster Tit issue, January 2008. I love this particular issue because we pay tribute to all of the super-sized implanted busty models that so many of our readers worship. And now, I am thrilled to give you a glimpse of the fun Deena Duos and I shared during one of our rendezvous'.

Deena has an incredible personality. She is strong, smart and loads of fun. And do I need to point out the obvious, has a smokin' body, anyone would love to pounce. And pounce we did!

We shared a mutual attraction and admiration for each other. I could not wait to get my hands on her tits. I love her tight little waist and the way her giant juggs just look you straight in the eyes. We visually sized each other up and down, like most girls do when they see a girl they like on a physical level. Of course, I think most women size each other up whether they like them or not, just comparing notes I call it. Anyway, there was no doubt in my mind that Deena and I were going to enjoy sharing our bodies.

When Deena and I met up we were both wearing slinky little skintight dresses and heels that didn't quit. I love dresses that hug my curves and barely contain my massive mounds. Denna and I apparently share the same taste when it comes to adorning our bodies in clothing we pour ourselves into. Her tits were jumping out of her dress, strapped in by only two tiny threads. It didn't take us much time at all to release our bulging breasts from captivity. WOW!!! I was so impressed with how big and heavy her tits are. I loved the way they felt in my hands, squeezing and hugging them. I pulled her around and

paused a while at her breasts, loving the feeling as her nipples came alive in my mouth. I continued to suck on her erect nipples as she returned the gesture by nibbling and biting on mine. We rubbed our huge tits together in every position imaginable. I knew we were both getting extremely aroused. You know, it is not like we plan on these things to happen, they just do. You get two super busty bitches in the same room that share the same affection for giant juggs and before you know it, you're laying on the coach fucking.

Deena has one of the finest tongues I have ever experienced. She certainly knows her way around pussy. Deena started with kisses, going lower and lower, telling me the whole time that she wanted me. Soon the kisses were around my stomach and hips. I felt her hot breath wisp across my mound. She kept kissing around my navel, and then down, further, when suddenly, my legs just opened up for her as she went down on me. Her tongue worked its magic on my pussy until I felt it swell. Deena was moaning into my slit how wonderful I tasted. I held her head firmly on my pussy while moaning in unison. She ran her wet tongue up and down through the silky, swollen lips. I felt her tongue penetrate me like nothing had ever done before. Deena replaced her tongue with her fingers. I gasped when she pushed two deep inside my moist slit. Then her mouth attacked my clit. Her tongue lashed it and flicked it and her teeth raked across it, leaving me a trembling mass of nerve endings. She sucked on it as though it were a lollipop. Suddenly, I felt a tremendous pressure build deep inside! My pussy was throbbing so powerfully I was teeteing

on the edge. The intensity of this orgasm made me shake while squirting juice deep down Deena's throat, yet she would not quit. She sucked that clit so hard and strong I continued to explode all over her face.

Now, I became the aggressor! I pulled Deena up from between my legs and kissed her, tasting my juices on her lips, and wanting more. My tongue plunged deep into her mouth. After tasting myself, I knew I just had to taste her. Kissing my way down her trembling body, I gazed intently at her wide-open pussy. Her clean-shaven cunt was waiting for me to feast as I plowed my tongue deep inside her oozing hole. I lapped her tender pussy from bottom to top, relishing in the sweet flavor. I drove my tongue in and out of her dripping slit as though I were fucking her with a miniature cock. I then grabbed her hips and rocked her swollen clit across my lapping tongue. I could hear her panting and breathing heavily.

She was beginning to moan now and I knew she was close. I would not stop. I focused on her clit. It was so pink and erect, peeking out of its hood, just begging me for more. I latched onto that throbbing bundle of nerves with my mouth, sucking while flicking it with my tongue. I would not let go. Deena clamped my head ever so tightly with her thighs to keep me in position. Then she began to scream in ecstasy. I drank all of her juices. She licked all of her cream from my face as her tongue parted my lips.

Despite our exhaustion, we still found the energy to plan our next "get together". I can't wait!!!

THE NEIGHBORHOOD SLUT

WRITTEN BY FRIDA ILLUSTRATION BY AARON WARNER

You know me.

I'm the one everyone talks about.

I'm the one the neighbors call the neighborhood slut. I'm the one they say sleeps with anything that moves. They say I call repairmen to fix something different every day, and fuck them before they leave. The plumber came yesterday, and the dishwasher repairman came the day before that. Tomorrow I hope the electrician comes. All over my big fat titties!

You know me. I was at your kid's soccer game. You barely spoke to me, and didn't even notice me bending over in my mini-miniskirt. But your father did. He was totally getting a hard-on seeing my clean-shaven peach poking out underneath. He knows what I taste like. He found out during the neighborhood fireworks show last July.

You know I look good when I wear my trashy tank-top to the grocery store. The one that's so thin you see my nipples through it. The deli guy always saves the biggest piece of meat for me, sliding it in and out of my hot, wet pussy as we fuck in the back behind the cooler. The best part about being a stay-at-home mom is getting banged all day long while everyone else is working.

You love my big, full, natural breasts and the way they swing and bounce when I pass you. My favorite part about my body is my huge jugs. I got them from my mom. She was the town slut when she was young and now I am. These hooters have gotten me more hard cock than you could imagine, thanks to mom. I fucked my way through high school and slept with every member of the football team just to see if I could. The best member was Coach Ryan's. It must have been ten inches!

Actually, I remember the first time we met. I came back to town after getting kicked out of college for boning one of my professors. We were doing it in his car when his assistant saw us. Professor Lang was coming all over my tits as I sucked his rod and played with his balls, and the next thing we know the door flies open and I lose my scholarship. I told you I quit, though. You fucked me good that night. I still had the poor old professor's jiz taste on my tongue, and you were pounding my pussy good. My mom was out at the truckstop, probably giving blowjobs for rent money, and there you were with your ass in the air fucking my tight little pussy and making me come doggy-style. Your cock was thick and I liked squeezing my boobies around it and watching it disappear as you titty-fucked me right there in my room.

Since then I've gone on to score some pretty good dick in this little town. Bill Junior passed the fourth grade thanks to my sweet box having a run in with the principal. You wouldn't know, but I ached for two days from taking that old boy so deep. He came so hard and shot a big, thick load straight up my shitter. I never had anal before, but that log splitter of his made me a horny bitch for laying pipe. Sometimes when I'm alone I'll take the TV remote or something nice and smooth and see how far I can fuck my own ass with it. Once I get going, I really get off fucking my own butthole.

You remember that time I was washing the car and you watched me from the window? I sprayed myself with the hose just so everyone could see my big titties through my wet t-shirt. I guess it was too much for Mr. Riley across the street. When I returned his bucket afterwards he took me in the back of his garage to show me something and pulled out his stiff prick! I gasped and he looked scared like I might scream, but when I smiled and complimented him on what a nice tool he had he relaxed and allowed me to stroke him as he leaned against some boxes. I lifted my shirt, exposing my nipples, and pressed my big, heavy boobs against him, gripping his cock firmly and stroking the smooth skin until it smacked of pre-cum easing out of his hole.

"You're such a good neighbor to let me borrow your tool," I whispered in his ear as he fondled by wobbling breasts. He tweaked my nipples and squeezed them, lifting them to his mouth to suck me. I fingered myself and was already wet, sliding two and three fingers inside my warm, gooey hole to clear a path for Mr. Riley's trembling boner. It filled my hand as I slowed my strokes, begging him not to come. I cradled his balls and gently fondled them, pulling and teasing his cock until it was a strong as steel.

He sat back on his mower as I squished my huge boobies around his firm, stiff dick, and began to blow him. His erect cock slid into my mouth and I thought of all the dicks I sucked off before. All the cum I had swallowed over the years. I wondered what would Mr. Riley's taste like. His pecker filled my mouth and pulsated against my tongue, pushing deep down my throat until I nearly gagged. The salty taste of his musky foreskin had me so horny I grabbed a trowel and eased the handle in myself as I sucked cock, waiting anxiously for it to blast it's hot, creamy load on my face, like so many others before it.

I lifted my skirt and lowered my pussy onto his big, raging boner. The flared head speared my soft folds and made a sloppy slurp sound as he pushed it further inside me. I moaned with the delightful feel of this man's strong, engorged shaft banging into my soft and sensitive insides, making me moan for more and harder and deeper. I bounced on his lap and told him to call me a slut. I said, "Fuck me hard! Call me a slut! Make me come like a whore! Give it to me hard, motherfucker!"

"Take it, bitch!' he growled back. 'You fuck that cock, slut! You better fuck that cock good, you whore! You fuck everybody, you whore! Now you're fucking me, you little tramp, you piece of shit! Fuck my cock, you fucking whore!"

You know I fucked his cock good. I sucked his big cock and let him fuck my pussy and suck on my tits. I came as he sucked my nipples and degraded me while I spread my pussy and he fucked my cunt good, hard, and so deep. I was his little whore, and he sprayed his wad all over my twat. Then with his big fingers he pushed all his semen inside me. I could feel his warm sperm being jammed up my hole as I jacked him off, wanting even more spunk to dirty my filthy girl-hole. It was so good! We just rubbed each other until we both got off again. It was an hour before I got back home that night.

You know I love being the town slut, and I don't care who fucks me. You've known me for ten years so it's about time you learned what your wife does all day while you're at work.

CONFESSIONS

Of A Big-Tit Slut!

FEATURING PARIS

I've always embraced the fact that I'm a true whore. I never met a cock I didn't like. I love to suck them. I love to fuck them and I love to stuff them in my tight ass.

Just last night I was feeling kind of horny and felt I needed a good fucking. I called a couple guys I know from a bar that I frequent. Needless to say, after I told them what I was looking for, they rushed right over.

I answered the door wearing nothing but a bra and fishnets. We wasted no time in getting down to business. They quickly took charge and bent me over so that I was kneeling on the couch. Tommy stuck his throbbing cock in my mouth while Bobby licked my already moist hole to get it good and slick before he thrust his steaming slab in balls deep. That took my breath away, but only served to feed my voracious sexual appetite.

They took turns flipping my all around. No matter what position they put me in, both my mouth and cunt were filled with pulsing dick meat. My orgasms were coming in quick succession as they used me like the slutty sex-toy that I am.

After I was getting pretty fucked out, Bobby pulled me down on top of him and speared me with his rigid tool. This left my asshole exposed and begging for attention. Tommy stepped up behind me and placed his bulbous cock head to my nether opening and pushed forward. My tight little bud graciously opened to allow his thick member to slowly slide in. Again, my breath escaped me as his long shaft slid all the way in, until his balls rested on my taint. My pussy lips were stretched taught around one thick rod while my butt bud was ripping from the cock in my back door.

The boys began to move back and forth together. I could feel their slabs

22772

squeezing the thin tissue between my two holes. I was in ecstasy, as they began to pick up the pace. These guys were able to keep in unison, leaving me briefly with a totally empty feeling, before filling me up completely with wonderful cock.

I closed my eyes and pooched my ass back, to get every bit of dick that they had to offer. As I was getting pummeled, my clit was getting crushed on Bobby's stomach. On each forceful thrust, sparks shot through my entire body. Each stroke sent bigger sparks cascading through me, until I exploded over the edge into an incredible orgasm. I felt the first volley coming from deep inside my cunt. I built and built until I finally exploded, screaming, as the boys kept pounding away as cum after cum slammed into me and filled my entire body with electricity.

Finally, I started to calm down and pulled myself off of the dick daggers. I had no intention of sending these good boys home with blue-balls, so I fell back onto the couch and pulled both of their steely cocks to my mouth. I swallowed each one, going back and forth. As hard as they already were, this only served to make them even harder. With my tongue I could feel their veins pulsing with blood and knew that they were both on the verge of blasting off. I slapped Bobby between my huge juggs, just as the first rope of cream spewed out, filling my cleavage. I pushed my tits together to surround his meat, as spurts of boy-juice filled my crevice.

At the same time, I was still devouring Tommy's cock and he too began to blast quarts of cock juice deep down my throat. I swallowed as fast as I could, draining him of every last drop, until his dick began to shrink in my mouth.

While still covered in cum, I stood up, thanked the boys for cumming to my rescue and showed them to the door.

THE NEWS RACK

ALL THE NEWS WITH TITS

By Steve Nelson, Editor-in-Chief of Adult Industry News (AINews.com)

GENT MAGAZINE • SEPTEMBER ISSUE #138

SARA JAY

What can I say about Sara Jay - other than when you see her pictures you are attracted by her sexuality and the round firmness of her ample curves. In person, the chemistry picks up where her photographs leave off. This woman is lava-hot and loves sex!

I saw her in Las Vegas during the Exotic Dancer expo week and we had lunch. She told me a little about her website and how she was shooting content and we tentatively set up a blowjob scene together. The next few days were hella-busy, and I still can't believe I couldn't find time for her to suck my dick! I've been kicking myself in the ass ever since.

Fortunately, Sara gets around to my area quite often and she stopped in to the AINews office for me to interview her for The News Rack.

Sara started out dancing in strip clubs in Ohio and Indiana. When she was 19 years old in Ohio she used to give bikini massages at a local massage parlor. She would get the client all worked up in the massage and when it was time for a happy ending she'd hand them paper towels and let them finish themselves.

She had been in Las Vegas for five years as a dancer, but says dancing got old and since she likes to suck dick and fuck, she said to herself, "why can't I be a pornstar?" So she sent out her naked pictures to everyone she had an email address for. She was excited to do it, and says her first break was with Mike Hammer who lined up shoots for her. Work came in the form of blowjob scenes and her first boy/girl. Sara likes to eat pussy too. She "likes girls with big titties". A very oral girl, she likes to suck on dildos just because she likes something in her mouth.

Everywhere she went she would network. At the AVN show in Las Vegas - "basically I hustled my ass", she says, and it seemed to have worked! Sara enjoys a popularity among a strong and faithful fan base. Her website is a favorite of cyber-denizens who cruise for big boob and booty hardcore beauties.

Sara answers all her email herself. She likes to get pictures of cocks - thinks it's funny. Lately she's been shooting a lot for her site and some for Brazzers. She shoots up to five to ten scenes a week. With good reason - she has several websites: SaraJay.com, SaraJayVideos.com and SaraJaysBJs.com. Mainly she's shooting gonzo blowjob galleries and casting couch scenes featuring new guys. There's lots of content already archived on her sites and she's always shooting random BJs.

There is a Sara Jay mobile site in the works too for whenever you want to look at Sara's gorgeous assets when you aren't near a computer, and she has iPod downloads on site.

Sara moved to Oregon and likes being home so she can shoot in her barn and around in the forest, mountains and rivers surrounding her home. She likes fun shoots and told me about how Booble.com this past Halloween painted her boobs to look like pumpkins.

Fall of 2007 Sara teamed up with Raven Black and Jeff Phucksum to open a new studio in Las Vegas. They've produced a few things with them already, like her first DVD "Sara Jay Loves Black Cock" and they're working on more to come.

Sara likes to travel worldwide so there's a pretty good chance you can get to see her no matter where in the world you are. Recently she's been to Amsterdam, London and Frankfurt, went to New Zealand and Australia after that and London then Amsterdam again the following month for the cannabis cup competition.

I asked her what advice she had for people wanting to break into the Industry and she said she tells guys to send people pictures. She's also looking for new talent so send her your picture, guys. Who knows, you just might get to have Sara suck you off for her website!

In closing I asked Sara how long she wanted to stay in the Business. She said, "I'm gonna quit when I quit having fun." I hope it stays fun for her for a really long time!

Contact and see Sara at MySpace.com/SaraJayXXX as well as SaraJay.com, SaraJayVideos.com and SaraJaysBJs.com.

JUNE SUMMERS

June Summers, a longhaired, beautifully proportioned beauty, has been dancing in clubs since 1991. As a house girl she was put on stage after the feature shows to hold the crowds. She would do duos with features from time to time and one comment she remembers from Anna Malle was, “These guys don’t deserve this,” because the show they put on was so good. Interactions like this gave June a chance to talk to a lot of girls who told her about featuring.

It was at the Cleveland, Ohio Crazy Horse where June met Christopher Eddy. “He introduced me to a lot of the features,” she says, “He still roadies and... I would not be a Feature today without him. All the Features know him.”

That’s where she met both Nikki Knockers and Nina Hartley who said she should give featuring a shot. June wanted to be a ballerina at five years old and a soap opera actress at twelve. Put them both together with a deep, intense sexuality and the feature dancing idea appealed to her nature. All it took was encouragement from some great features to convince her she would be great at it as well.

June started her career as a feature dancer in 1996. I commented on her mouth-watering rack and she said she got her boobs done in 1998.

June had a website back in 1998 that got bought out when she took a break. “There were scenes where my x-husband and I were the only ones in them. You can find them all over the web now. On my new site, I will be showing a lot of vintage work that was neglected... that’s why there are pics all over the web with me and the tall red head with tattoos.”

June officially started doing hardcore in January 2007. I asked what she wanted to promote about herself and she told me her website, JuneSummersXXX.com, and exclaimed, “PORN!” June is really excited about doing scenes. It’s nice to see someone who really likes what they do. I loved the way we talked about doing porn like it was something fun and special - because it IS.

Her site will be loaded with videos and pictures for everyone to enjoy. She’ll be doing personal scripts that fans can send to her through her site too. She’s already done a shaving cream skit, one out in woods and is enthused about what other ideas her fans can come up with.

Echo Valley introduced her to director Roman Pornanski who shoots for Filmco and now she’s filming for people like Urbano at Channel 69, FYA Independent and other companies. And she’s looking to do more! She has a flair that would go well with some real acting, so I don’t doubt we will be seeing her soon in films from companies like Vivid and Wicked.

I had the sincere pleasure to “fill in” as male talent when Anton shot June for an issue of Gent back in August 2007. It was a great boy/girl scene where Anton got 170 shots off in about twenty minutes. For me it was twenty minutes of pure heaven! At 8 a.m. the next morning June was back ten minutes early to shoot two more sets. She’s professional, pleasant and always beautiful, even before makeup!

You can write June as a fan or book her for scenes through her website at JuneSummersXXX@JuneSummersXXX.com. Book June through Universal Theatrical Agency for feature dancing. Go by her website and get a good eye-full of her phenomenal frame.

TIT BITS

I went to a private party at an Industry friend's house. Brad is the rigger, cameraman and editor at DungeonCorp. In attendance were Rebecca Anderson, my Editorial Assistant from San Francisco who was down in town for a few days, Carrie Moon, Cara Lott, Savannah Jane, male talent Seth Dickens and assorted friends of the Industry. I asked my assistant Rebecca what a rigger is and she said, "A rigger is the person who ties the ladies up. Tough gig." Yes, there were a nice handful of people there throughout the night but I hear the parties he throws in the summer are huge!

I spent a couple of hours in the hot tub with the beautiful Carrie Moon, who's Gent pictorial happened to be in the May issue I had brought to the party to give to Savannah Jane. I divide up a case of magazines amongst the girls I interview and had Savannah's issue with me to give to her.

So there I am naked in the hot tub with the gorgeous and well-endowed Carrie, enjoying the conversation so much I forgot she was naked 'til she stood up to illustrate a point and SCHWING! Instant hardon!

Later in the evening Rebecca was playing with a couple of girls and asked Cara to suck her boss' cock. Talk about perks of the job! Cara gleefully grabbed me and shoved my cock down her throat. I got a nice wet, slow, sloppy blowjob!

Want a great host Brad is. He has sex equipment in his family room! Savannah Jane, by the way, is having lumps in her breast removed. Send good vibes and thoughts to her for a successful outcome.

Porn Star Karaoke is an event you don't want to miss if you are in the Burbank, California area on a Tuesday night. It takes place down at Sardos Grill and Lounge at 259 North Pass Avenue. Porno Dan was there interviewing a big-titted newbie for AEBN and xPeeps who seemed to either be drunk or merely had the personality of a fish. That happens from time to time at PSK.

Other notable people there of the almost 50 I knew were Sunny Lane, Flower Tucci, Priva, Ryder Skye, Tommy Gunn, Ashlynn Brooke, Monica Mayhem, Regan Anthony, Lisa Sparxxx, Mark Davis, Elena Heiress, Cleopatra of the Nile, Midori and beautiful, busty Shannon Kelly who I've just GOT to interview! I hope to see her in a full spread here because she is so fucking HOT!

Speaking of fucking HOT, porn legend Debi Diamond now writing a column for Adult Industry News called "Debi's Diamonds of Depravity". She's delightfully nasty so check her out!

Martin Solo, a big boob aficionado from across the pond plans to bring a few more large and lactatious ladies to Las Vegas soon. He says, "We already have a number of world-famous big-boob models who are willing to come to our shoot: Lorna Morgan, Kerry Marie, Emily Cartwright, Michelle Monaghan and Lisa Anne from the UK, Miss Deja, Busty Miss Panther and Lisa Sparxxx from the US... trying to get hold of the famous Yulia Nova from Russia, Anya/Merilyn from the Ukrain and Fuko/Love from Japan." He had my interest at "Lorna"! What a roster of raucous rib rack! Martin continues, "I'm trying to get the event off the ground in Las Vegas. It will be a small-scaled big-boob model trade show."

The dates would be close to the Exotic Dancer's Expo in August, maybe even overlapping events, so it promises to be a haven for us drooling-over-double-D, mad-about-mammarie, can-crazy guys like us. He's aiming to get about 20 big breasted models into a strip club or other private venue each day to have fans take pictures and get up close and personal with the girls.

And as if there weren't enough craziness in the world, Busty Dusty writes to me from the department of redundancy department: "I recently heard from a friend of mine here (it may have been from Minka's old shooter) that our mutual "fiend"... has been at it again." (Remember I wrote about a girl claiming to have gotten a boob job with Dusty's old implants?) Dusty continues, "She's been saying that I had silly string implants... which, is bullshit! What is this compulsive obsession with me that she suffers from? I'm starting to get a wee bit iced off."

And lastly, I'm selling a cherry 1967 Lincoln Continental, but not before I take more pictures of busty girls washing it. Any girl with big tits who would like to wash my car for free, naked, under the guise of a photo shoot, please contact me here: Editor@AINews.com or MySpace.com/ReadAINews. Wish me luck, guys. See you next month!

DOUBLE D BABES 3

Trina Michaels and Richard Kline share the first scene of this big titty compilation. It's a decent scene and there are lots of scenes for boob worshippers to feast their eyes on. Blonde big tit superstar Nicole Sheridan fucks hubby Voodoo in the next scene. This is like any other scene that these two share together, it is volcanic molten lava HOT! There's three-way action to see and love as Alexis and Alex Sanders get their fuck on with the gorgeous Latina Jenaveve Jolie. It seems like every time I've seen the tall leggy platinum blonde Kelly Erickson she's got Mark Davis rod buried to the hilt inside of her. Take this scene for example. Kelly has one of the sexiest moans of the porn crop and it's a sin that she doesn't work more often. Chloe Dior has a hard body and some rocking tattoos. She takes this no hold barred attitude straight into a collision course with Mr. Pete. It's a disappointing scene and you have to wonder why they are trying to sell it again. East coast porn chick Olivia O'Lovely shows off her big fake titties before settling in with Mark Wood. After a fairly decent BJ, she mounts his hard rod in a visually pleasing reverse cowgirl. The pair moves onto cowgirl where her round rump is captured in action. There is some nice camera work from below the action with Olivia's ass as the focal point. Finally, Mark pumps her missionary style and shoots pop shot from her navel that covers most of her chin. Shy Love has a dreamy quality about her that pulls me in like a natural gravity. The perfect specimen with the too big choppers and melon sized implants knows how to give a stellar performance. Mark Wood anally reams veteran porn actress Friday by in the next to last scene. Man does this big titted chick take an anal beating from the Wood Man! Finally the venerable Stormy Daniels takes on Mark Davis. There's some mutual nipple sucking as they double down on Stormy's store bought boobs. Dig how those luscious boobs shake and bounce when he's bringing home the deep dicking. Streams of cum assault Stormy's beautiful face and she loves it all.
